**Shahin Medghalchi** is a well(traveled Argentine tango dancer and teacher in North America, Europe, and Argentina. A sensational dancer and a skilled teacher, Shahin was trained by masters of tango from Buenos Aires through her travels since 1995. With Shahin's unique method of teaching, and her undivided attention to your dance needs – fundamentals of tango through advanced vocabulary – she will help you achieve a **sensible social floor dancing technique**, elegance, musicality, and connection with your partner, as it was and still is danced at the salons/ milongas of Buenos Aires.
